

DATE CLAIMER

3rd Queensland Translating Research into Practice (TRIP) Symposium

Friday 17th July 2015

The annual QLD TRIP symposium is designed to enhance understanding and collaboration across Queensland in implementation science ensuring that the knowledge we have from the best available research translates effectively into everyday clinical practice and improved health outcomes. The program will feature TRIP experts and novice researchers including 3minute Thesis presentations from clinician researchers as part of the Mater iResearch course.

When: Friday 17th July 2015
8:30am to 5:00pm

Where: Translational Research Institute (TRI)
Auditorium, 37 Kent Street,
Woolloongabba Qld

Please join us for post-symposium drinks in the Atrium (outside the Auditorium) following the close of official proceedings.
