

Enjoy a delightful morning with Azenta Life Sciences

When & Where

Wednesday, August 28th, 2024
9.30am to 11.30am
L7 Tea Room, TRI

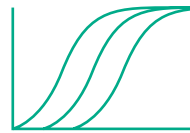

Take your research to the next level with GENEWIZ Multiomics and Synthesis Solutions from Azenta Life Sciences. Our integrated services support your research needs for discovery and development.

Next Generation Sequencing

Whole Genome Sequencing

Bioinformatics

Epigenomics

DNA & RNA Synthesis

IVT mRNA

Gene Fragment & Oligo Synthesis

CRISPR Genome Editing
